

Taylor Sharperson

973-223-7834 – taylorsharperson@gmail.com – [linkedin.com/in/taylorsharperson](https://www.linkedin.com/in/taylorsharperson)

Objective: To obtain a challenging internship in the field of technology with a company that allows me to use my current skills and enhance them into something greater.

Education

Florida Agricultural and Mechanical University, Tallahassee, FL

Bachelor of Science, Computer Information Systems

GPA: 3.57

Expected Graduation: May 2026

Technical Skills

C++

HTML

Java

CSS

Relevant Courses

Network Security

Fundamentals of Programming

Web Programming and Design

Object-Oriented Programming (in progress)

Projects

Minority Serving-Cyberinfrastructure Consortium and Internet2 Hackathon

May 2023

- Teamed with four individuals from other HBCUs to compete in a hackathon.
- Generated an algorithm using Python to determine rates of infection due to COVID.
- Designed a PowerPoint slide to accompany the code and presented to professionals from MS-CC and Internet2.

Web Programming and Design

Jan-May 2023

- Developed a portfolio website over five months, using HTML and CSS, in order to show my talents and abilities.
- Utilized HTML and CSS style rules to add interactivity and professionalism to my website.
- Created five pages (a home page, my HBCU life, community service, coding projects, and contact page).

Experience

JHU Summer Business Academy (INROADS partnership)

June 2023

- Participated in career preparatory professional development workshops.
- Expanded professional network by connecting with other high-achieving scholars attending HBCUS, PWIs, and HSIs.
- Participated in design thinking and organizational leadership workshops and related projects.
- Prepared presentation with proposal and presented to judges to devise solutions for active business case and placed 3rd overall.
- Gained exposure to the JHU Carey School of Business MBA program.

Panera Bread

2021-2022

- Greeted customers and managed customer complaints.
- Interacted with 100+ customers per day.
- Prepared and served customers food orders.
- Closed facility on weekdays and opened facility on weekend mornings.
